There will be a **\$35.00 fee plus applicable bank charges** for all returned checks. Not to exceed two checks in 12-month period, afterward no checks will be accepted. No checks will be deposited a second time.

There are times where water pipes may burst and cause our water bill to increase. The following is a guideline to follow for water bill forgiveness in the event this happens.

1. Have either a LEOA employee or a member of the board of directors witness that you do have a pipe that has burst.
2. Contact the Lake manager and provide proof that repairs have been completed to appeal your bill.
3. These are decided on a case-by-case basis and can result in 65% of your bill being forgiven.

If you have questions, please contact Phil Fuller, Lake Manager.

All pets are to be kept on the owner's property or under the control of the owner at all times.

Barking or loose dogs can be considered a nuisance and can result in penalties for the property owner. (LEOA will not be held responsible for damages or injury caused by pets).

If you consider barking dogs, loose dogs, or any other animal a nuisance, call 911 and clearly state your issue to the dispatcher. The dispatcher will dispatch the proper authority. If you have any questions concerning this rule, contact the Lake Manager for clarification.

LAKE EDDINS ACCESS (Amended February 18, 2016)

All Lake Eddins access cards issued prior to November 1, 2015 have been cancelled. Gate Access cards will be issued to the owner(s) of record of a property and other authorized family members (son, daughter, son-in-law, daughter-in-law, grandchild, great-grandchild, mother, father). Property owners must present a copy of their deed, if not already on file, with the current owner(s) names on it as proof of ownership before cards will be issued. These cards will be issued without charge.

Only one person whose name is on a deed to a lot can be designated as the property owner authorized to obtain any and all types of cards.

"All entities other than natural persons who are titled owners to a lot(s), shall first be required to obtain approval from the Lake Eddins Owner's Association Inc.'s Board of Directors, as to the number and type of access cards allowed."

NOTE: ALL GATE ACCESS CARDS MUST BE OBTAINED BY THE OWNER(S) OF RECORD

Property owners obtaining cards for authorized family members and residents must present a current driver's license number or state issued photo ID number. Any cards obtained fraudulently will result in immediate deactivation and the property owner(s) will be fined \$500.00 and/or penalized. The loaning or selling of Lake Eddins access cards is a violation of lake rules and will result in stiff penalties.

Gate Access Only Cards will be issued to: (1) full time residents that are not property owners and (2) certain other family members of the property owner(s). These card holders will not have the same right of enjoyment as property owners to the lake unless accompanied by an authorized card holder. These cards may be issued for a non-refundable cost of \$20.00 each and will be limited to (4) per property owner. The identity of those in possession of these cards must be provided by the property owner.

The 24/7 Worker Cards will be issued to Game Wardens, Law Enforcement, UPS/FedEx/etc., TEC, Southern Pine, LPG companies, C-Spire, outside realtors, and Medical Care Providers and be allowed gate access on a 24/7 basis. The restricted access worker cards will be coded for Monday through Saturday, 7:00 am to 6:00 pm. The Lake Manager can approve exceptions to these days and times.

Vehicle Cards will be limited to (2) cards per property owner. These cards may be purchased for a \$20.00 non-refundable fee. **THESE CARDS WILL BE USED IN PROPERTY OWNER'S VEHICLES ONLY.**

Property owners will be personally responsible for the access of delivery trucks and service and maintenance vehicles.

Property owners will be responsible for all gate access cards issued to them, their family members, their residents, and their workers. Property owners are responsible for the actions and conduct of their family members, their residents, and their workers that they allow to have access cards.

Since, according to the covenants, guests must be accompanied by a property owner or an authorized family member at all times while on common areas, guests will not be allowed to have access cards.

NOTE: LEOA EMPLOYEES WILL NO LONGER BE ALLOWED TO OPEN THE MAIN ACCESS GATE EXCEPT IN EMERGENCY SITUATIONS.

All card holders must possess a valid driver's license. **Exceptions** for unusual situations may be approved by the Board of Directors after notice and hearing.

Anytime it is determined by the Lake Manager that the water flowing across the emergency spillway is hazardous for travel or in other emergency situations, the spillway and dam will be closed to traffic and the east gate will be opened and authorized card holders and their guests will have to travel at their own risk. The east gate will be used for emergency situations only.
